INFORMATION ABOUT DEADLINES TO FILE CLAIMS

OVERVIEW – KEY POINTS

- This document is a legal notice concerning the bankruptcy case of the City of Detroit, Michigan. This document is being sent to all parties that may be owed money by the City (known as "creditors").
- **The Overview on this page describes the key terms of this document. Please read the entire document carefully for further details. On the following pages, each section of this document includes a summary of the main points, followed by more detailed information.**
- In bankruptcy, creditors may be required to file claim forms stating the amount of money owed to them as of the day the bankruptcy was filed. This document explains how to file claims.
- **Many creditors in the City's bankruptcy case are not required to file a claim.** This document explains who is required to file a claim and who is not required to file a claim. If you are not required to file a claim, then you do not need to take any action at this time to preserve your right to vote on or receive payments under a restructuring plan.
- **The following parties are not required to file a claim (for further information, see Section 1 of this document):**
 - **City retirees and their beneficiaries** are not required to file claims for pension or healthcare benefits or other post-employment welfare benefits.
 - **City employees and their beneficiaries** are not required to file claims for pension or healthcare benefits, routine wages or other employment benefits.
 - **Taxpayers** are not required to file claims for routine income tax refunds.
 - **Bondholders** holding any of the bonds identified on the "Schedule of Secured Bonds" on the last two pages of this document and **holders of Certificates of Participation** issued by the City are not required to file claims for the repayment of principal, interest and/or other applicable fees and charges.
 - **Other bondholders** holding general obligation bonds are not required to file claims to receive their *pro rata* share of distributions on account of the amount of principal and interest calculated by the City.
- If you are required to file a claim against the City, you must do so by **February 21, 2014 at 4:00 p.m., Eastern Time.** A form that you may use to file your claim is provided with this document. *For further information, and other special deadlines for certain creditors, see Sections 3 and 4 of this document.*
- Claims may be mailed or hand delivered to the City's agent (Kurtzman Carson Consultants) or to the Court at the addresses provided in Section 5 of this document.
- After reading this document, if you have any questions regarding the filing of a claim, you may contact the City of Detroit Claims Hotline toll-free between the hours of 10:00 a.m. and 6:00 p.m., Eastern Time, at **(877) 298-6236**. Please note that the people answering the hotline phone number are not able to provide legal advice. If you have questions about your legal rights, including whether you need to file a claim, you should talk to a lawyer.

SECTION 1 — WHO IS NOT REQUIRED TO FILE A PROOF OF CLAIM

SUMMARY

- Section 1 describes which of the City's creditors are not required to file claims. It states that the following creditors, among others, are not required to file claims:
 - **City retirees and their beneficiaries** are not required to file claims for pension or healthcare benefits or other post-employment welfare benefits. *The City will work with retiree representatives to establish an appropriate process for retirees and their beneficiaries to vote on and receive payments under any restructuring plan.*
 - **City employees and their beneficiaries** are not required to file claims for pension or healthcare benefits, routine wages or other employment benefits. *The City will work with employee representatives to establish an appropriate process for employees to vote on and receive payments under any restructuring plan.*
 - **Taxpayers** are not required to file claims for routine income tax refunds. *The City will continue to process routine income tax refunds according to its usual procedures.*
 - **Bondholders** holding any of the bonds identified on the "Schedule of Secured Bonds" on the last two pages of this Notice and **holders of Certificates of Participation** issued by the City are not required to file claims for the repayment of principal, interest and/or other applicable fees and charges. *In each case, the applicable trustee or other agent has agreed to file the claim on behalf of the holders.*
 - **Other bondholders** holding general obligation bonds are not required to file claims to receive their *pro rata* share of distributions on account of the amount of principal and interest listed on the City's list of claims. *See Section 8 for more details about the list of claims.*
- A restructuring plan is a document that explains how the City proposes to pay the amounts it owes to its creditors. Once filed, this plan will be available for creditors to review. **If you are not required to file a claim, you do not need to complete and return a claim form, and you will still keep your rights to vote on a restructuring plan and receive payments under the plan.** Who gets to vote on the plan will be determined at a later date. The amount you may receive under the plan also will be determined later. The plan may propose that you receive less than the amount you are owed.
- **Even if you are not required to file a claim form, you are permitted to do so.**

The Bar Date Order provides that entities holding the following claims are not required to file proofs of claim on account of such claims to preserve any right they may have to receive distributions from the City and vote on any chapter 9 plan of adjustment (a "Plan") proposed by the City:

- (a) Claims of retirees, employees or other beneficiaries for (i) post-employment benefits under the City's Health and Life Insurance Benefit Plan, the Supplemental Death Benefit Plan or other non-pension post-employment welfare benefits, including unfunded actuarially accrued liabilities (any such claim, a "Retirement Healthcare Claim") and (ii) pension benefits (any such claim, a "Pension Claim") under the City's two retirement systems, the General Retirement System and the Police and Fire Retirement System (together, the "Retirement Systems"). In consultation with the Official Committee of Retirees appointed in the Chapter 9 Case (the "Retiree Committee"), other groups representing the interests of current and future recipients of post-employment healthcare and pension benefits and, in the case of Pension Claims, the Retirement Systems, the City intends to establish an appropriate mechanism for such retirees, employees or other beneficiaries to vote on any Plan with respect to any pension and healthcare claims they may possess.

- (b) Claims of active employees for ordinary course compensation and employment benefits including, without limitation, wages, salaries, employee medical benefits and insurance benefits ("Ordinary Course Compensation Claims"). The City intends to continue to pay Ordinary Course Compensation Claims in the normal course. Accordingly, active employees need not file proofs of claim on account of Ordinary Course Compensation Claims. For the avoidance of doubt, claims asserted or to be asserted in any lawsuit or similar proceeding are not Ordinary Course
